Commissioner for Patents

Sir:

Examiner Goudreau telephoned the undersigned Attorney on April 4, 2003 to determine if a Response had been filed with regard to the Official Action of October 3, 2002. The Examiner was advised at that time that the undersigned Attorney had not received the Official Action of October 3, 2003. A copy of the Interview Summary record is enclosed evidencing this fact. The Notice of Abandonment was issued at that time indicating that the application was abandoned for failure to reply to the Official Action of October 3, 2002. The application officially was abandoned on April 3, 2003.

It is respectfully certified that the Official Action of October 3, 2002 was never received in our office and therefore the Response date was never processed within our docketing system. A search was made of the file jacket of the application and no copies of

the Official Action were found, indicating that the Official Action was never received by Applicant's attorney at McDermott, Will & Emery.

A thorough search was also made of all docketing systems to determine if the Official Action was ever received. All dockets failed to indicate the Official Action was ever received. The Official Action set a three month date for Response; i.e. by January 3, 2003. Enclosed is a copy of our automated docket of our Docketing Department and also copies of the pages from the Docket Book of Applicant's attorney's secretary for the due date of January 3, 2003. The present application 09/887,165 (Docket No. 50432-096) does not appear on either docket record listing. Under normal docketing procedures in the Law Firm the application would have appeared on these docket records had the October 3, 2002 Official Action been received.

It is requested that the Petition alleging non-receipt of the Official Action be treated as a Request to withdraw any holding of abandonment and the Petition Fee of \$110.00 not be charged to our Deposit Account. It is believed that this Petition supports the revival of this application abandoned unavoidably due to non-receipt of the Official Action.

A Response to the Official Action of October 3, 2002 is hereby submitted to complete the requirements for reviving the above application.

If this Petition is found to be nonpersuasive, then Applicant's attorney Petitions for Revival of an Application for Patent Abandoned Unavoidably Under 37 CFR 1.137(a) and the Petition Fee of \$110.00 is authorized to be charged to Deposit Account 500417.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this

09/887,165

paper, including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,

MCDERMOTT, WILL & EMERY
